

PAIN AND UPPER LIMB MANAGEMENT WORKSHOP

1.30-4.30pm, 11th April 2017

Undergraduate Lecture Theatre, Barnes Building,
Salford Royal Hospital

Salford Royal Hospital will be hosting a workshop on post stroke pain and upper limb rehabilitation/management. The event is free and open to clinical staff involved with stroke care across Greater Manchester.

Speakers:

Professor Pippa Tyrrell (University of Manchester/SRFT) – *Post stroke pain assessment and management strategies*

Dr Ulrike Hammerbeck (University of Manchester/SRFT) – *Upper limb rehabilitation and management post stroke*

The speakers will review latest evidence and guidance and would encourage attendees to identify/bring cases for discussion as part of interactive elements of the workshop.
