

## **Stroke Association Fellowship Award Funding**

We believe in the power of research to save lives, prevent stroke and ensure people make the best recovery they can.

The Stroke Association's research strategy aims to increase the UK funding base and capacity for stroke research across the full stroke care pathway.

These Fellowships are aimed at developing the stroke research leaders of the future.

The Stroke Association are inviting applications for **Postgraduate and Postdoctoral Fellowship Awards** in the field of stroke.

The closing date for applications is **5pm Wednesday 1 November 2017**.

The grants will be awarded in March 2018.
