

What's Your Reason...

For Preventing Stroke?

Stroke can be a preventable disease.

Come and see what you can do to reduce the risk and support those affected by stroke:

- Blood pressure and pulse checks
- Help to stop smoking
- Getting involved in research
- Experiences of volunteers
- Stroke survivor artwork
- Services available after stroke
- And a special performance by the **Stroke Association Choir** (11.45-12.45)

World Stroke Day 2017

Friday, 27th October 10.30am to 2.30pm
